8 March 2022

[UK Data Service marks International Women's Day 2022](#)

The UK Data Service released [a new podcast](#) with Dr Neli Demireva, co-author of [Pioneering Social Research: Life Stories of a Generation](#) discussing her research on the women who helped to establish the discipline of sociology.

In further support of this year's theme - #BreakTheBias - the UK Data Service collated datasets and case studies which examine gender biases and inequalities.

When France meets Switzerland

Representatives from the National Archive of Data from Official Statistics ([ADISP](#)) of [PROGEDO](#) and the DARISS teams working at [FORS](#) recently met in Lausanne to exchange ideas around best practice, with a particular focus on moving towards more open data.

5 March 2022

International Open Data Day; UK Data Service highlights open access datasets

The 5 March saw this year's International Open Data Day. The UK Data Service marked the occasion by collating its open data resources, including datasets and training materials. Open Data Day usually takes place in February or March. We will publicise the 2023 date when it is finalised.

4 March 2022

Annual Report summarises SND's most important achievements in 2021

The report details the archive's programme of successful development and expansion, while also marking the SND's successful bid to the Swedish Research Council, securing funding for the period 2023-2026.

4 March 2022

CESSDA statement on Ukraine

The CESSDA community condemns the ruthless attack of the Russian Federation on Ukraine. We have contacted our [Ukrainian partner institution](#) offering help and support. Partnership with the Russian data archive has been suspended.
